

# Solar Information

## Workshops

for Parishioners and Neighbors

Learn about:

- how Solar Power actually works
- how systems are built for homes and businesses
- Net-Metering
- the latest Government Incentives
- how to navigate Solar quotes, warranties, and equipment
- power storage and batteries
- how to advocate for renewable energy for the greatest impact

WORKSHOPS ARE FREELY OFFERED TO EDUCATE AND EMPOWER INDIVIDUALS TO TAKE PRACTICAL ACTION TO ADDRESS THE CLIMATE CRISIS WITH AN APPROACH SIMILAR TO OUR DIOCESAN PLANNED GIVING WORKSHOP MODEL. THEY ARE A GREAT, READY-MADE WAY TO GATHER PARISHIONERS AND CONGREGATIONAL NEIGHBORS FOR THE COMMON GOOD AND FOR COMMON MISSION.

**Contact Fr. Kendall Haynes to begin planning your workshop today!**

**Virtual and Live options are available!**
