

# Solar Consultations

## for Vestries/Church Boards and Congregations

Learn about:

- how Solar Power actually works
- the benefits of putting Solar on a church building
- how to fold Solar into a Capital Campaign
- how to encourage parishioners and neighbors to explore Solar for their own properties
- Net-Metering how to save money sustainably
- the latest Government Incentives for Non-Profits
- how to find and apply for grants
- how to possibly participate in Community Solar
- how to rally the congregation around renewable energy and creation care through practical action

**Contact Fr. Kendall Haynes to schedule a conversation today! Both sales and non-sales approaches along with Virtual and Live options are available!**
